Say Something..... if it's only Good-bye!

LOOKING back over the 'Signal' issues of the past year we have counted just about a dozen contributors. As our monthly subscriptions are around 350 (adding up to a readership of, say, at least 700) we are making this urgent plea for more of you to write to us. Would it, for instance, be too much to hope that the contributor figure be raised from 12 to 20?

Many tell us 'My life is so ordinary that no one would be interested in what I do or say' but if it is 'ordinary' to you it may well not be so to others and there is always an interest in our individual differences. We would therefore be most grateful if you would consider writing on any of the following subjects:

1. A typical day in my life.
2. Any interesting life experience.
3. Comparisons between today and yesterday.
4. A travel experience.
5. The fascination of a hobby.
6. Pet hates or pet loves.
7. Books/films/plays you have loved/loathed - and why.
8. A character whom you will always remember.
9. Any matter which you think is of local interest.
10. Aspects of local history.

One final point. We promise to let you know if there is any enforced delay in publication. Come on! Write to us - even if it is to tell us why you don't want to write for 'Signal'!

PLEASE NOTE THAT COPY FOR THE MAY ISSUE OF 'SIGNAL' SHOULD REACH TRISANNA, STAUNTON-ON-WYE (PHONE MOCCAS 517) NOT LATER THAN THURSDAY, 10th APRIL, 1986.
